

Provider Access Policy

Amended: July 2023

Next Review date: July 2024

Agreed by the Local Governing Body: Oct 2023

Context

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses. Management of provider access requests Procedure

A provider wishing to request access should contact:

Sally Doran - Assistant Head teacher,

Telephone: 01634842359 Email: sdoran@fortpitt.medway.sch.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available specialist equipment to support provider presentations. This will all be discussed and agreed in advance. Providers are welcome to leave a copy of their prospectus or other relevant course literature with us. Documentation is managed by the careers team and is available to all students at lunch and break times.
